### Building on the success of the first ever Stablecoin conference in New York (by BECON on 11-26-2018)

Please join our meetings of the brightest minds in cryptography, financial innovation, regulation and investments as a Gold or Silver Partner.

Each package includes exclusive sponsorship of the unique aspects of the conferences. In addition, each sponsorship package delivers other great benefits, such as the promotion of your company brand and expertise internationally, both in advance of the conference and at the event itself, maximizing speaking opportunities, offering complimentary delegate registrations, and much more.

BECON is the world's premier organizer of Blockchain industry events in the world and our web, media and social channels are fully utilized to highlight the Gold and Silver partners.

### About BECON

As a global and cross-sector platform for collaboration, networking, explaining and advancing new technologies, BECON has become one of the leading organisers of conferences highlighting the impact of blockchain technology in vertical applications, especially the financial sector. Starting in 2016 with 3 events attracting 450 delegates, BECON's global strategy grew its portfolio to 12 events with 14,700 delegates in 2017 and 17 events in 12 countries on 4 continents in 2018, attracting 20,800 delegates.
